

LUXURY AMAZON CRUISES

with Delfin Amazon Cruises

Explore one of the world's most intriguing environments; five million acres of protected, flooded Amazonian jungle offering an abundance of natural wonders, dramatic scenery, indigenous cultural history and extraordinary flora and fauna. Enjoy the comfort and ambiance aboard deluxe and environmentally friendly small river vessels accommodating between 8 to 41 guests, each offering an unforgettable experience in one of the planet's last unspoiled wilderness areas.

5 DAY ITINERARY

DAY 1: ARRIVE IQUITOS

Arrival transfer to your luxury river cruise boat. Enjoy the best of Amazonian-Peruvian cuisine before a briefing from your guides.

DAY 2: BELLUDA CANO > DORADO RIVER

Enjoy the morning exploring this extraordinary environment, on foot and by skiff, including an encounter with the gray and pink river dolphins.

DAY 3: ATUN POZA LAKE > RIO PACAYA

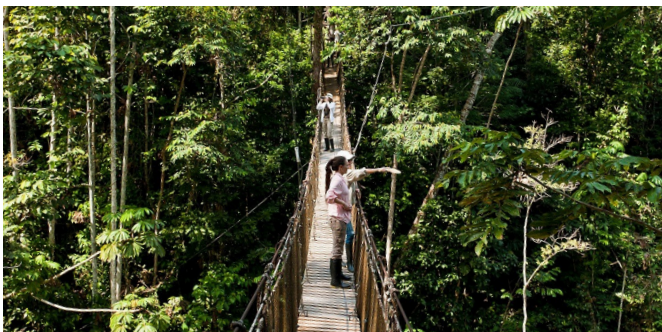

In the high water season explore the lake and its lagoons; in the dry season hike through the tropical rainforest observing the incredibly diverse flora and fauna.

DAY 4: CARO CURAHUAYTE LAGOON

Fish for piranhas in the rainy season and spot a myriad of birdlife. This afternoon visit an indigenous local community.

DAY 5: YARAPA RIVER > PUERTO MIGUEL > IQUITOS

Meet the villagers of Puerto Miguel, continue down the Amazon River, visit a Manatee Rescue Centre, ending in Iquitos.

PRICING:

5 days, from \$7,580 per person, based on share twin in a Master Suite aboard the Delfin II in 2024. Prices vary per vessel, suite type and departure date.
