PHINDA PRIVATE GAME RESERVE

andBeyond Phinda Private Game Reserve encompasses an impressive 23,000 hectares of prime wilderness in KwaZulu-Natal, South Africa. Showcasing one of the continent's finest game viewing experiences, including Africa's Big Five. Home to six magnificent lodges, we highly recommend combining at least two lodges, as each comes with its own individual charm and character.

ANDBEYOND PHINDA FOREST LODGE

Newly refurbished Forest Lodge is set in one of Africa's last remaining dry sand forests, one of the most unique ecosystems on the planet. A dense canopy provides privacy and floor-to-ceiling windows invite the forest in.

ANDBEYOND PHINDA ZUKA LODGE

Set in wooded hills overlooking a waterhole, this lodge has four thatched bush suites which can be booked individually, or as a sole-use villa for small groups. Enjoy the interactive café-style kitchen and swimming pool overlooking the wilderness.

ANDBEYOND PHINDA MOUNTAIN LODGE

Perched on a hilltop, with wraparound views of the lush Lebombo foothills, Phinda Mountain Lodge is the ultimate family safari destination. Room types include 16 suites, six cottages, and one family suite, all of which feature private plunge pools.

ANDBEYOND PHINDA VLEI LODGE

This intimate and romantic safari lodge overlooks a unique wetland area with ever-changing game viewing from the comfort of your suite. Each of the six thatched suites feature a mix of antiques and collectables, a private lap pool and game viewing deck.

ANDBEYOND PHINDA HOMESTEAD

Set on the edge of a dappled forest, this gracious sole-use safari villa comes complete with a dedicated ranger, tracker, butler and chef. Ideal for families or small groups, there are four bedrooms and inviting guest spaces. Game drives and meals are tailored completely to the guests' preference.
