DISCOVER INDONESIA

with SeaTrek Sailing Adventures

Specialising in sailing expeditions, SeaTrek know these regions intimately. Your crew are all locals, allowing you to see Indonesia through Indonesian eyes. Activities are both water-based and on land, with the chance to engage with local communities. Authentic experiences for the more active traveller.

WHERE WE SAIL

Sail through Eastern Indonesia and discover this incredible region home to some of the world's most biodiverse marine ecosystems, a warm tropical climate, crystal-clear waters, idyllic islands and traditional cultures. The ideal setting for outdoor exploration and relaxation. Departures are year-round, with itineraries following the seasons.

WHY WE LOVE IT

You may choose to do as little or as much as you wish. Each journey is different and includes authentic cultural experiences, fresh and locally made food and activities which explore and embrace the natural environment. Take advantage of wildlife experiences and cultural activities or simply relax on the boat while taking in the views.

THE SHIPS

Katharina & Ombak Putih

Cabins of both traditional pinisi vessels are all individually air-conditioned and have private en-suite bathrooms. There are double bed cabins, twin bunk cabins and triple cabins (an extra single bunk above a double bed for a family of three). With all the creature comforts of the modern world, these ships are the ideal blend of old and new.

INCLUSIONS

Itineraries include but are not limited to meals, use of snorkelling gear, kayaks, paddle-boards, most off-boat activities and cultural performances, transfers to/from the boat, English-speaking guides and farewell dinner.
