DISCOVERING THE FASCINATING
HISTORY OF INDONESIA THROUGH
SAILING

“

To me the charm of navigation lies in the exposure to elemental forces, the solitude, the self-reliance and the candor of spirit that the best of ocean life brings

Indonesia through Indonesian eyes

CULTURE

From the moment you step on board our ships we are proud to immerse you in the cultures of the archipelago with our all-Indonesian crews and tour leaders. You will taste the food, dance to the music, listen to the languages and feel the friendship, as they unlock the secrets of this most culturally diverse of countries, and share with you its rare beauty and warm hospitality along the way.

Prepare to get a bit wet

Whether by ship or by tender, or even by native canoe, your primary mode of transport is by boat, so be prepared to get your feet wet from time to time. How else are you going to gain access to Indonesia's 17,000+ islands, its Komodo dragons, whale sharks, manta rays, coral reefs, rainforests, birds of paradise and myriad cultures?

Indonesia's coral reefs are among the most healthy and bio-diverse of any on the planet. See and learn about the amazing underwater world here:

LIFE ON BOARD

You are in good hands

You may be travelling on the ships of the infamous Boogie Men, but don't think for an instant that we aren't looking out for you. Your safety comes first with us! Our boats are equipped with modern safety, communication and navigation equipment, and each crew member is highly certified both in seamanship and in their specialised fields. In addition, our boats are taken out of the water each year to be inspected and certified for seaworthiness, so your trips are always worry free.

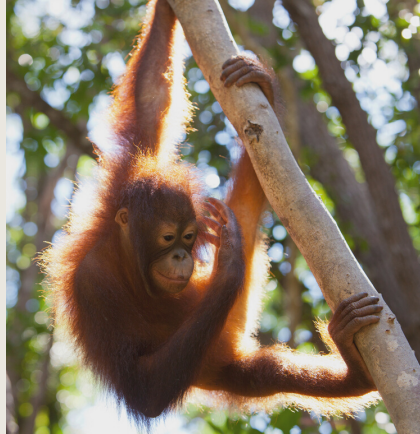

CONSERVATION

Empowering Communities

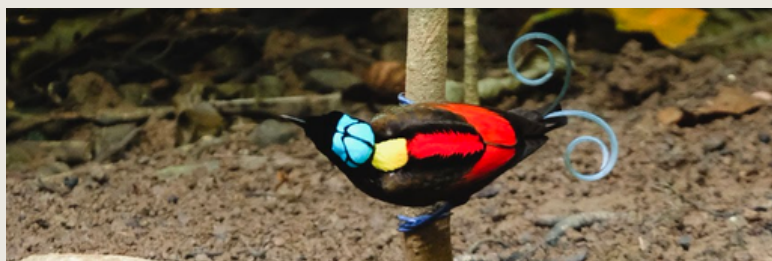

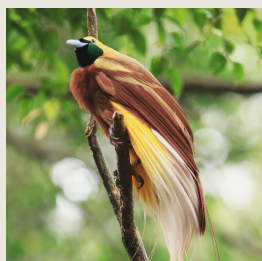

SeaTrek Sailing Adventure is committed to sustainable tourism practices and works closely with the local communities to ensure that the program benefits the villagers and their way of life. This may include include educational materials like our own self published environmental books for kids, education, healthy drinking water, and Coral reef awareness.

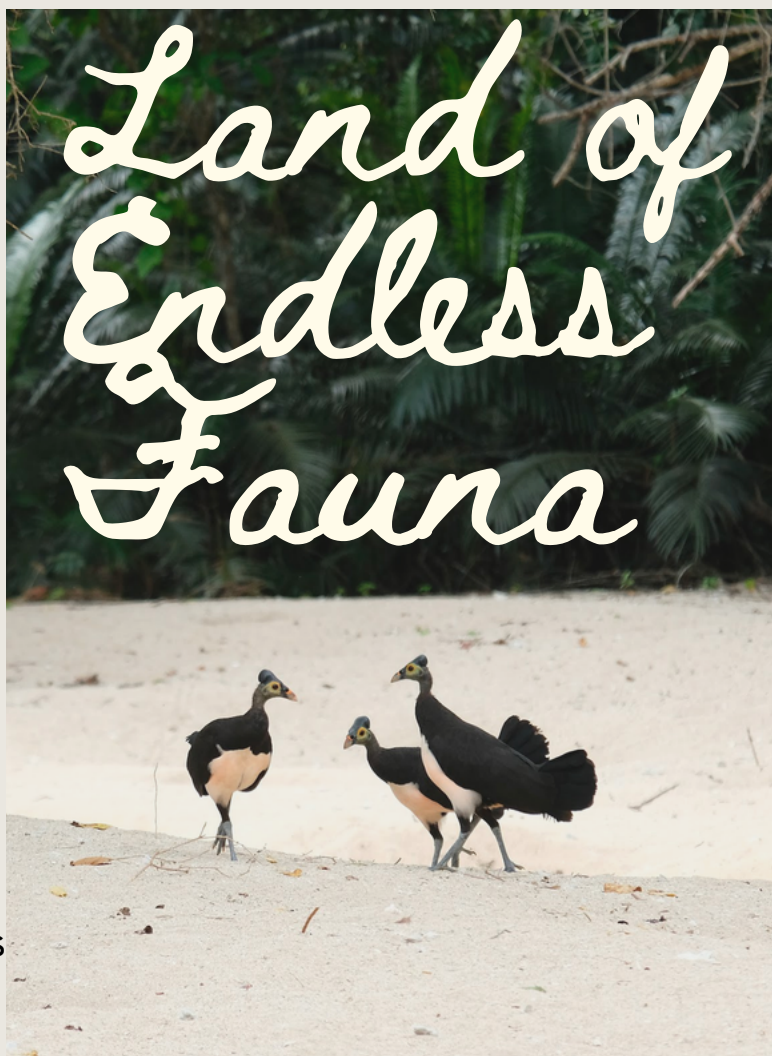

WILDLIFE

Our belief in Responsible Tourism requires us to insure that our guest programs assist in the protection and conservation of the many species and ecosystems we visit

By engaging in these activities, our guests are by definition conservationists. Whether it is visting the world's largest reptiles up close, spotting rare and exotic bird species, or swimming with the enormous Whale Sharks the contributions to local guides and coops we make on behalf of our guests help make the continued health of these amazing creatures a little more certain so they are still around for our future generations learn from and enjoy.
