THE TRAIN:

Rovos Rail has earned an international reputation for its truly world-class travel experiences. Bespoke train safaris through the heart of Africa combine magnificent scenery with the glamour and excitement of the golden age of leisure travel. The beautifully rebuilt wood-paneled trains each carry a maximum of 72 passengers in 36 superbly appointed suites. Dining cars, a lounge car and observation car with open-air balcony provide convivial social spaces.

THE SUITES:

Vintage carriages combine with modern luxuries in three suite types available in double or twin. All suites feature private bathrooms, a fridge, tea facilities, safes, air conditioning and luggage storage. Pullman Suites feature a sofa which converts to a bed for the evening. Deluxe Suites have their own lounge area and permanent bed. The more spacious Royal Suites each take up half a carriage with their own private lounge area, permanent bed and en-suite bathroom complete with Victorian bath!

LIFE ON BOARD:

Relax and watch epic African landscapes pass by, stopping for in-depth guided excursions and, of course, golfing at some of South Africa's finest courses. Back on board your chef will delight you with delicious cuisine with an accent on fresh local ingredients, complemented by fine South African wines. Guests may dine together or individually, enjoying fine china and glassware, crisp linen and silver.
